D-BACKS UNVEIL NEW UNIFORM DESIGNS FOR 2024 WITH "A NOD TOWARDS TRADITION"

The team reimagined tradition while introducing a new age of Diamondbacks baseball with the unveiling of four new uniform designs for the 2024 season, featuring Sedona Red and fan-favorite Teal as primary colors as well as the return of the Off-White color scheme for the Home Uniform, the original "D" logo and the "Diamondbacks" wordmark.

Home Uniform

Streamlined to match the speed, excitement and play of our team, the new Home Uniforms are adorned in a traditional, classic Off-White color, reminiscent of the team's original 1998 uniform, and featuring baseball piping. It features the return of the "A" logo to the Home Uniform in Sedona Red with a Teal outline. The snakehead makes its home on the sleeve. The off-white jersey will be worn with off-white pants. A Sedona Red cap with a Black brim featuring the Sedona Red "A" logo with Teal outline or a Black cap with a Black brim featuring the Sedona Red "A" logo with Teal outline will be paired with this uniform.

Black Alternate Uniform

A mainstay since day one, this new iteration of the Black Alternate Uniform features the unique and vibrant Teal piping and a Sedona Red "A" logo outlined in Teal on the left side of the chest. The snakehead is featured on the sleeve. This uniform is worn with Off-White or Road Gray pants and a Black cap with the "A" logo.

Road Gray Uniform

The Road Gray uniform proudly displays the arched Sedona Red "Arizona" wordmark with Teal outline front and center, and the snakehead on the sleeve. This uniform is worn with Road Gray pants. A Black cap with Sedona Red brim features the return of the bold and edgy throwback "D" logo, a familiar mark from our rich history.

Sedona Red Alternate Uniform

The "Diamondbacks" wordmark returns in its full form on the Sedona Red Alternate Uniform. Like our ballclub's namesake, this uniform is bold, as the Black wordmark is outlined in Teal, with the snakehead prominently featured on the sleeve. The sleeves and neckline feature Teal and Black braiding and each player's number is featured in Teal on the front. This jersey is worn with Road Gray or Off-White pants and the Black "D" logo cap with Sedona Red brim or an All-Sedona Red cap with the throwback "D" logo.

Strikeouts Helping Heroes is a powerful collaboration between the Arizona Diamondbacks Foundation and Circle K to drive awareness and raise funds for projects that serve veterans dealing with homelessness, PTSD, addiction and the complex transition back to civilian life. Every time a D-backs pitcher completes a strikeout, the Arizona Diamondbacks Foundation and Circle K donate $20 to Strikeouts Helping Heroes funding important projects and support programs for our most deserving veterans. The D-backs are proud to dedicate resources to a season-long initiative to maximize our ability to impact the lives of our military heroes. In 2023, Diamondbacks pitchers Kyle Nelson and Ryne Nelson made a special visit to veterans in the D-backs Homeplate Kitchen at Catholic Charities MANA House, a non-profit that helps veterans rebuild their lives.

MIKE KENNEDY DIAMONDS BACK FIELD BUILDING PROGRAM

PRESENTED BY APS

Since 2000, the Arizona Diamondbacks Foundation has built or refurbished 44 baseball and softball fields representing a community investment of more than **$10 million**. With support from APS, and charitable contributions from D-backs players, the program has allowed children from across the state to play baseball and softball at quality facilities. The fields generally feature new lights, a branded electronic scoreboard, new fencing and backstops, new irrigation and new grass and dirt with additional support provided by local contractors and businesses.

KENDRICK FAMILY FIELDS

The Kendrick Family Legacy is a passionate commitment from the Kendrick Family to invest in opportunities to renovate existing youth baseball fields throughout Arizona in communities that need new resources but do not have the funding. The Kendrick Family Field renovations include amenities like new fencing, grass, scoreboards, infields and pitcher's mounds, the laser-leveled Kendrick Family Fields.

D-BACKS & HONEYWELL TEAM UP FOR
STEM EDUCATION
Honeywell

To meet the growing needs of the Arizona community, the D-backs and Honeywell partnered to create a series of STEM programs to engage, educate and inspire students from elementary to high school. Together, the Diamondbacks and Honeywell are leading the way supporting Major League Baseball's commitment to innovation and youth initiatives through fundamental STEM education programs.

D-BACKS AVNET STEM SCHOLARS
In Partnership with St. Vincent de Paul

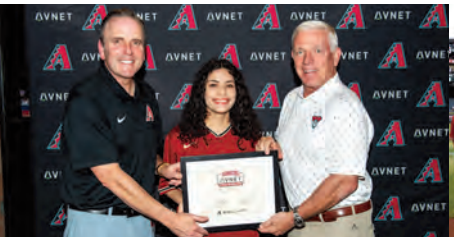

INVESTMENT. INNOVATION. IMPACT.

In May of 2023, the Arizona Diamondbacks Foundation and Avnet announced a **$2 million commitment** to scholarships for Arizona college-bound STEM students over the next four years. D-backs Avnet Scholars, in partnership with St. Vincent de Paul, provides up to a four-year scholarship for high-potential, first-generation Arizona students in pursuit of a STEM-based college degree. On May 5, the D-backs and Avnet surprised the inaugural class of D-backs Avnet Scholars with a reception at Chase Field including their family and friends. In addition to their scholarship, each scholar received a custom jersey, a new laptop, backpack, headphones, and $500 gift card for school supplies. Each scholar also received complimentary tickets to D-backs home games!

"As a First-Generation College Student, it was difficult for me to find the help I needed to pursue my academic goals. There wasn't a support system I could depend on since I was doing college preparation on my own. It was very challenging, especially this new transition to adulthood. After continuous searching and consistent rejection, **this was the only scholarship program that believed in me when no one else did**. The program's constant support encourages me to pursue and expand my endeavors. The community has been very welcoming and hard at work. I would've been completely lost without the guidance I have received from the program. I continue to look forward to every opportunity to assist SVdP in volunteering or discussing in conferences. They are vocal in making sure their scholars succeed and get the support they need. Even providing a mentorship program for the scholars. As a scholar with a mentor, it has been nothing short of immense gratitude. Not to mention the honor of getting to attend events such as the Diamondbacks Baseball game. That was such a highlight and an experience that motivates me to finish each semester at Arizona State strong. Along with the financial compensation of scholarship being greatly appreciated, nothing has been more important to me than the immense support of the community. **Thank you to everyone who contributed in helping me and other scholars of the program to not feel discouraged to chase their dreams."**

-EVELYN RODRIGUEZ AGUILA, 2023 D-BACKS AVNET SCHOLAR
